SEAT SELECTION

On behalf of the Art Center executive board, I want to thank you for your loyal and steadfast support during this most trying period. Your support, both verbally and financially, is a reminder of how much you value the Art Center and the opportunities it provides to the community. It is deeply appreciated.

Our commitment to you is that we will continue to work to keep your trust, and as circumstances allow, we will again provide opportunities for members and volunteers, and entertainment for our patrons.

At this time, regular reserved seating is not an option due to social distancing protocols, but may change during the year. This year the Art Center is offering patrons **Social Distance Reserved Seating**, spaced as the following, every other row with a minimum of 2 seats between patrons. If you are in a group and will be traveling together, seats can be purchased side by side, please make note of it on your form.

- The social distance seating will allow purchasers to buy their tickets in advance at the regular season pass discount and patrons will still be able to make exchanges 6 weeks prior to opening night.

- If during the Season it is decided to be safe to go forward with regular reserved seating, then the remainder of the season play tickets will be exchanged for the reserved seating assignments that are on your file from the previous year.
