HOLY MOTHER of BINGO!

Setting

Time: Present Day.

Place: The Parish Hall at Mother of Mercy Parish.

Directors Notes:

Welcome to The Art Center of Citrus County! I'm Karrie Mast, proud director of the Murder Mystery Bingo Theater. Our cast, youth aged 8 to 16, auditioned in April, memorized their lines by June, and brought this show to life in just nine rehearsals. With creative freedom from our playwright, the cast wrote their own interactions, making this truly their own.

But they didn't stop there. These young artists set up the hall, moved furniture, dressed the stage, crafted props and costumes, and even brought their personal artwork. Everything you see, is thanks to their talent and dedication.

Special thanks to Miss Lisa and Miss Dianna for their amazing support, and to all of you for being here. Your presence helps our program thrive. Enjoy the show, and let the mystery (and bingo) begin!
