Welcome and Happy New Year!

Happy New Year!

I hope this message finds you well and off to a wonderful start in 2026.

We closed out December with a very successful Youth Program theater performance. After four months of learning about theater, acting and dedicated rehearsals, our youth truly shined on stage. Their hard work, creativity and enthusiasm were evident, and we couldn't be prouder of what they accomplished.

In addition to performances, we host a monthly "Fun Night" here at the Art Center for our youth. January's fun night was filled with games, a movie, drawing and creative art projects, along with snacks and prizes. These evenings give our young artists, ages 9-17 years old, a chance to connect, create, and simply enjoy being part of our arts community. Our art groups and Camera Club continue to thrive, offering so many opportunities to learn, grow, and explore creativity together. There is truly something for everyone at the Art Center, and we are grateful for the continued support and participation from our community.

If you have any interest in joining one of our groups or would like more information, please feel free to contact us at artcenterofcitruscounty@gmail.com or call our box office at 352-746-7606.

Next up in our theater for the 2026 season is the "Miss Magnolia", a Senior Citizen Pageant. Performances run on weekends through February 1st, and we invite you to come enjoy this delightful production.

Please feel free to stop by and visit. We'd love for you to meet some of our wonderful volunteers, explore the Art Center, and see firsthand all that's happening here.

Thank you for being part of the Art Center of Citrus County. We look forward to an exciting and creative year ahead.

Warm Regards,
Karrie Bailey
President

Theatre News

The theatre is having a roaringly funny time with "The Miss Magnolia Senior Citizen Beauty Pageant." This is the third installment of the Four Old Broads series and they are back at it again. Some of the shows are almost sold out so get your tickets quickly before you miss out! The show ends on Feb 1st.

On Sunday, January 18th, the author Leslie Kimbell stopped in to meet the cast and crew and watch the show. She gave it an A+ rating. (Left photo) Julie Imbrogno, Chris Venable, Mary Ellen Craver and Sharon Vetter portray the old broads. Photo by Margo Wilson

Rehearsals are in full swing for our next musical "Lucky Stiff" and it's going to be a funny show with some great songs. It's set in the 1980s so ladies- break out those shoulder pads and find your Aquanet. Men- ready to rock those Zubaz again? Tickets are on sale now.

Our next play "Squirrel Lake", has their auditions set for Jan 30th at 2pm and Feb 2nd at 6pm. They need a cast of 3 females and 4 males for this hilarious show. Melanie Burkhardt is directing.

We are always looking for more volunteers to usher, do concessions, box office or work backstage. Have you ever wanted to learn to do sound or lighting? We can train you! Click on the volunteer button on our website and let us know what you would be interested in helping out with.

Thanks,
MaryBeth

Visual Arts Chairperson

What an exciting way to kick off the New Year at the Art Center! Our artists, members and guests have been busy creating, painting en plein air, volunteering, and enjoying inspiring field trips. The energy and creativity flowing through our space has been truly wonderful to witness.

A heartfelt thank-you goes out to our incredible volunteers who help make it all possible: Lenore Hotchkiss, Mary Mae, Deb Newman, Angela McMurray, Barbara Vermeer, Henry Van Hewewin, Cindy Lyskawa, and Chris McKinney. Your time, talent, and dedication do not go unnoticed.

Nature Coast Exhibit III is a vibrant and inspiring showcase of local and regional talent, beautifully reflecting the depth and diversity of creativity within our artistic community. This exhibit features 48 artists and nearly 100 pieces of artwork—once again making the judging no easy task! We were honored to have the talented Kim Shields serve as our judge. His thoughtful evaluations and generous encouragement were deeply appreciated. Kim reminds artists at every level to keep drawing, painting, and submitting their work—his opinion, he humbly shares, is just one voice among many.

Congratulations to all the artists who entered and to those who earned ribbons! We invite you to stop by the Art Center and experience this amazing exhibit in person. (Winners are featured on pages 6–8.) Looking ahead, **Nature Coast Exhibit IV**, our next juried show, will have artwork take-in on **February 25**, with the Reception and Awards on February 27 at 6:30 PM.

Our annual **Holiday Marketplace** raised \$250, from the modest entry fees and a small donation going to the Art Center. Thank you to all the volunteers and especially the vendors who showed up and showed off! We had a great audience turnout with beautiful talent!

The creative adventure continues with several engaging workshops on the horizon, including **Cards 4 Cause on January 24** (open to members and guests—please RSVP), **Lunch & Learn on February 11 and March 11**, and an **Art & Yoga Workshop on February 22**. Be sure to check out the flyers on pages 14–15 for details.

We are also exploring new and exciting workshop opportunities at the Art Center. If there's a medium or class you'd love to see—acrylic, oil, mixed media, or beyond—please reach out to me at 423.605.4719. And if you know professional art instructors with a strong following, feel free to share my information with them. I am currently accepting proposals.

Now go create something! 🎨✨

Arts Center Shutterbugs Focus on Growth, Learning and Community in 2026

The Arts Center Shutterbugs are off to an energetic and inspiring start to 2026, with a full calendar of outreach, education, and creative exploration.

We kicked off the year by participating in the Parks and Recreation Recreation Outdoor Expo, where members had the opportunity to connect with the community, share their passion for photography, and introduce new audiences to the Shutterbugs camera group. It was a wonderful way to spread awareness about our mission and invite others to join us behind the lens.

Education continues to be a cornerstone of the Shutterbugs program. January launched our workshop series with an “Introduction to Your Camera” session designed to help photographers of all experience levels better understand their equipment and gain confidence in using manual settings. Due to strong interest, additional workshops are already scheduled for February and March, giving even more members and community participants the chance to build their skills.

We also embraced the creative side of photography with our first field trip of 2026 to McKethan Lake, where members explored nature photography, composition, and storytelling through images. These outings not only strengthen technical skills but also foster camaraderie and inspiration among our photographers. Even more exciting—monthly field trips are now scheduled throughout the year, offering regular opportunities to capture the beauty of our region and beyond.

Whether you are a seasoned photographer or just learning how to use your camera, the Arts Center Shutterbugs welcome you to be part of this growing, creative community.

Interested in joining us? Keep an eye on the Arts Center calendar for upcoming workshops, meetings, and field trips. Or shoot me an email at accameraclubnews@gmail.com.

Deb Newman
President, CWS

We bid goodbye to 2025 at our fabulous Christmas potluck, demo and workshop with Kim Shields. His workshops are always so much fun! And, what a start to January we had! Our meeting was overflowing, and Lionel Sanchez' 2-day workshop was another winner!

The icing on the cake for January was the exhibit at The Art Center. Thank you to the 21 artists who participated! Many of the winners were first time exhibitors and had been reluctant to enter but came out on top! (not pictured, Dori Sullivan and Judi Tintera). Exhibiting not only showcases your talents, but also gives the community exposure to our organization, while supporting the operating costs of the Art Center. It's all connected. You'll want to plan for intake on February 25th from 10-1 to see what all the excitement is about. If you have questions, let me know @DebNewman57@yahoo.com. Refer to the Art Center's website, where you'll find the Nature Coast Exhibit Prospectus.

Once you have a couple months of exhibiting under your belt, you'll be comfortable with the process and be ready to WOW the community in June at our Invitational Exhibit & Sale. We've been honored by the Art Center by this invitation. Let's showcase our work and show the versatility and wonder of watercolor.
